

## Welcome to St. Joseph Tours!

You may be asking yourself “What is St. Joseph Tours? Am I not on the Mater Dei Tours website?” Well, by now you are familiar with the mission of Mater Dei Tours... *to help bring souls closer to God by providing Catholic Pilgrimages to some of the world's most memorable and faith-inspiring sites.* St. Joseph Tours is another way we can offer this ministry to pilgrims. With St. Joseph Tours you get the same great itineraries and fabulous destinations along with the same quality hotels, restaurants and tour guides, not to mention our very experienced tour managers. So, what's the difference? Our US Tour Directors do not accompany the group. We place these tours under the guidance and protection of St. Joseph and we leave the group leadership in the competent hands of the group's Spiritual Director/Chaplain. Once you arrive in the city of destination you meet **our native** professional Tour Director who works closely with the group leader as they would with our US Tour Director. You can expect the same quality pilgrimage with a spiritual program led by the Chaplain, consisting of daily Mass, daily Rosary, Chaplet of Divine Mercy, Meditations and the Sacrament of Reconciliation. As with Mater Dei Tours, St Joseph Tours will also combine history, culture and lots of fun with every tour. *Together, with St. Joseph, foster father of Our Lord, and Mary, Mother of God (Mater Dei), our groups will be well protected as they bring pilgrims closer to their Son.*
